Thank you...

There are not enough words... to express my thankfulness for the last couple of months for all of the support and help we have received. Thank you for praying, for the cards, and for the note cards that so many of you sent with Carla with scripture and words of encouragement. Thank you for those who visited Alan while I was gone and checked on him every day, and met his needs. Thank you for the food brought in, the text messages checking in with me every day while I was receiving treatment in Minnesota. Thank you, Carla, for giving of your time to take me to and from Minnesota, and to many of my appointments. I am so very grateful for all of you!!

In Christ's Love, *Brenda Ratliff*
